

# NEWSOM'S ASSAULT ON GUN OWNERS

## BANS COMMONLY OWNED MAGAZINES CAPABLE OF HOLDING MORE THAN TEN ROUNDS

- FORCES law-abiding citizens to SURRENDER their magazines by turning them in to law enforcement, selling them to a licensed firearm dealer, or removing them from the state
- BANS the use of lawfully owned firearms for which only over 10 round magazines exist
- CRIMINALIZES possession of standard magazines by some CA peace officers, *all* officers from other states, & will likely force all officers to surrender their magazines upon retirement
- PROHIBITS retired CA officers from crossing the state line into CA with their magazines

## PLACES EXTREME RESTRICTIONS ON AMMUNITION TRANSFERS

- BANS all internet and mail order sales of *any* ammunition
- **BANS private ammunition sales:** even one box between friends and many family members
- FORCES anyone who buys ammunition, including current and former peace officers, to go to a licensed vendor and:
  - Pay a fee of up to **\$50** & wait up to **30 DAYS** for a background check every 4 years
  - Disclose personal information including *residential address*, phone number, date of birth, & driver's license, for each and every ammunition purchase
  - Be entered into a *statewide government registry* of ammunition purchasing activity
- FORCES anyone who sells as little as 500 rounds of ammunition in a month to:
  - Obtain a mandatory government license and pay a fee
  - Agree to be tracked in a government database
  - Change the way they store their ammunition
- PROHIBITS any CA resident from buying ammunition in another state and returning to CA
- BANS individuals from leaving a shooting range with ammunition they obtain on site
- Authorizes local governments to impose *even stricter regulations* on ammunition transfers

## IMPOSES CRIMINAL PENALTIES ON FIREARM THEFT VICTIMS FOR FAILING TO REPORT FAST ENOUGH

- PUNISHES crime victims with criminal fines and penalties
- Discourages firearm owners from cooperating with police for fear of prosecution
- *Cannot* be used against straw purchasers as intended & has never been used to prosecute a single person in the cities that have this law

## FORCES FIREARM & AMMUNITION RETAILERS TO OBTAIN ADDITIONAL CERTIFICATES AND PAY CRIPPLING ANNUAL FEES FOR EACH EMPLOYEE
